

LET MY PEOPLE GO (LET GAZA AID GO THROUGH)

When Israel crossed into Gaza land  
Let Gaza aid go through.  
Barely a home was left to stand  
Let Gaza aid go through.

Refrain:

In the name of Moses  
Lay down your bombs and guns.  
Tell Netanyahu  
Let Gaza aid go through.

With Jews 'round the world we weep and mourn  
For every Israeli and Gazan family torn.

Occupation, hunger, hostages, hate;  
Will a cycle of violence determine our fate?

Congress, Biden, hear our cry  
Not one more innocent child should die.

As American Jews we here decree,  
AIPAC doesn't speak for me.

Schumer brought the message home,  
Netanyahu's got to go.

Let no more U.S. dollars flow  
Til Israel stops its senseless war.

Oh, let us all from bondage flee  
Both Jews and Palestinians must be free.
