

## Harrisville House Policies for Family Use

The more the house is used the better. It will prove to ourselves that we can keep it going. So reserve a week or a few days. You don't need to do it as nuclear families. Talk to your cousins, friends or aunts and uncles. Plan a week together. You will be in charge, it is your house while you are there.

These policies shall remain in place for as long as the Jean M McKenna Rvoc Trust is responsible for the maintenance, management, care and upkeep of the Harrisville House at 71 Silver Road, Harrisville, NH 03450

## On Reserving Your Time

## While You Are There

**Trash:** all trash shall be carried out with you at the end of your stay.

**Linens:** Bring your own sheets and towels

**Cleaning:** You are responsible for leaving the house clean.

**Electricity:** Be sure that all the lights are off when you leave

**Internet:** ssid: ManyCousins, pwd:jfjmjfm

**Food:** If your stay is during a period when other family groups will follow your stay then the refrigerator can stay on and you can leave (only good and fresh) food in it. Otherwise empty and clean the refrigerator.

**Floating things:** pull up all kayaks, boats and floating things.

**Outdoor furniture:** Organize the furniture out of the way so the lawn can get mowed.

**Do something while you are there to make it a nicer place for everybody.**

Please do not go through all the things in the house at this point. That process won't begin to happen until at earliest, the 4<sup>th</sup> of July vacation week.
